

aPCR Terms and Conditions

This document is confidential information of ClearCapital.com, LLC (“Clear Capital”). Any unauthorized use is strictly prohibited. Cape Analytics is the “Licensor” of the “aPCR” Product (referred in the Terms as the “Product”). “Data” means any text, data images, videos, links, and all other information contained in a Product. By ordering the Product, Customer acknowledges and agrees to these aPCR Terms and Conditions (referred to as the “Terms”):

The license for this Product is non-exclusive, non-sublicensable, non-transferable, and limited solely to use the data contained therein for internal use only and no other purpose. All intellectual property rights in and to the Data is owned by Licensor or Clear Capital, respectfully, including, for certainty, all content, graphics, trademarks, service marks, logos and user interfaces relating thereto, the processes, algorithms and software used to perform or generate the Data. Customer agrees that it shall not, and shall not permit any third party to, use the Licensor Data (i) to transmit any malicious code (including any viruses, worms, defects, and Trojan horses), or any other items of a destructive nature, or (ii) disseminate information or analysis (including benchmarks) relating to the performance or accuracy of the Licensor Data or any content contained therein.

Customer agrees to comply with the Third Party Content Terms and Conditions and Third Party Content Copyright Notices in addition to the license restrictions set forth in the Terms.

Upon Clear Capital or Licensor’s written request, Customer, during the Customer’s office hours and no more than once in every twelve (12) month period shall allow Licensor or Clear Capital and/or any independent third party selected by the Licensor or Clear Capital to fully examine the Customer’s records to the extent necessary to verify Customer’s compliance with the Terms. Such examiners shall be provided with full access to such information, systems, records as may be necessary to confirm the accuracy of the Customer’s invoices, documents and other information supporting such invoices, any pricing adjustment computations and assess compliance with the Terms, including without limitation the license restriction provisions in any separate agreement with Clear Capital. In the event that the audit reveals any material non-compliance by the Customer with the Terms, Licensor or Clear Capital may, in addition to any other remedies available to it, immediately terminate all orders or agreements related to such material non-compliance. Customer shall not dispose of, destroy, alter or mutilate said work, documents, papers, materials, payrolls, records, accounts and data in any manner whatsoever for three years after the final payment under the Terms, including any separate agreement between Customer and Clear Capital, or until all pending matters are closed, whichever is later. Customer’s failure to comply with any of the requirements set forth in the Terms shall be deemed a material breach. Notwithstanding the reference to limiting audits to no more than once in any twelve (12) month period above, Licensor or Clear Capital may conduct additional audits to the extent the audit reveals that the Customer is in material non-compliance with the Terms or the terms and conditions any agreement with Clear Capital. Prior to initiating an audit, a senior officer of Licensor or Clear Capital shall contact Customer and discuss with a senior officer of Customer the specific concerns that Licensor has that may give rise to an audit. Licensor or Clear Capital and Customer agree to discuss and attempt to resolve such concerns in good faith. If the Licensor or Clear Capital and Customer are unable to resolve such concerns within a period of twenty (20) business days, Licensor or Clear Capital may at any time thereafter initiate an audit.

These Terms shall inure to the benefit of Licensor, and be enforceable by it with respect to any breach of the terms hereof to the extent such breach may adversely impact Licensor or the Licensor Data obtained by Customer.

Effective July 29, 2025.

Third Party Content Terms and Conditions

Certain materials provided by Cape Analytics, Inc. (“CAPE”), including but not limited to CAPE services, data, imagery, deliverables, content, API and platforms may include third party information that is subject to certain third party terms and conditions as described in this document. If CAPE is providing you with access to third party information, you understand and agree that use of such third party information is subject to the applicable third party terms and conditions identified below. If there is any inconsistency between your agreement with CAPE and the terms and conditions of the applicable third party terms and conditions, the third party terms and conditions will apply to that third party information.

Furthermore, you acknowledge that:

- (a) The providers of third party information have not provided any representations or warranties about the accuracy or completeness of their information, or its fitness for any particular purpose;
- (b) The providers of third party information may rely on the disclaimers and acknowledgements set out your agreement with CAPE to the extent that they relate to third party information;
- (c) The providers of third party information will not be liable to you (or any other third party who accesses the third party information through you) for the availability of the third party information, any error, inaccuracy, or incompleteness of the third party information, or for any use or misuse of the third party information by you or another third party who accesses the third party information through you; and
- (d) The third party information may be derived from or based on open data licensed under an open license and that the use of the open data is governed by the terms of that license, and to the extent any such open data subsists in any third party information, it is licensed directly to you under an open license and not licensed or sub-licensable.
